The foregoing shows that an error occurred, in that the applicants claimed less than that which they had a right to claim. The present reissue application corrects this.

However, the record in no way shows that the error occurred through deceptive intention. The Examiner, has not pointed out, nor can he show anything in the record that would support a finding of deceptive intention.

Conclusions

Applicants respectfully request that the Examiner reconsider the rejection in view of the foregoing and pass the claims as amended to issue.

If filing this response requires an extension of time pursuant 37 C.F.R. § 1.136 and payment of an extension fee or other fee, any of which this response fails to account for, applicants' attorneys request such an extension and/or charging such fee(s) to their Deposit Account No. 06-0916.

Respectfully submitted,
